

## Murphy *Rebel* Project

Murphy *Rebel* Project – Serial No. 414R

Partially complete project (about 80%), near Kingston, Ontario. Registered with MD-RA, and tail feathers already inspected & signed off. Wings and fuselage well along. Kit has the good bungee gear, and the firewall has already been moved back, for larger engines.

Kingston, Ontario Canada

Asking only \$ 24,000 CAD, negotiable.

**- S O L D – They go quickly !**

The advertisement features a central photograph of a white, high-wing aircraft on a grassy field under a clear blue sky. In the top left corner of the ad, there is a small inset image showing the interior of the aircraft's cockpit. In the top right corner, the logo for 'PATTERSON AeroSales' is displayed, with the tagline 'Your sales source for the complete line of aircraft'. At the bottom left, the 'Rebel' logo is shown, which includes a red maple leaf icon. The main text at the bottom of the ad reads: 'Rebel project for sale - about 80% complete Only \$24K CAD !'.
